Student commitment

If I am selected to participate in this course, I understand:

- that full attendance is critical to success in this program and will strive to meet this requirement.
- that I will be taught in an adult education setting and that training, assessment and behaviour expectations will be different from that experienced in school. I will strive to meet these expectations.
- that I need to achieve all elements of competence in order to receive a Statement of Attainment or Certificate and go to gain maximum credits towards my NTCET.
- that original VET Transcripts and Certificates will be sent directly to me and that I am responsible to provide copies to my school if I want my VET qualification to count towards my ATAR.
