1. Due to a change in processing, the data in the above table excludes 33 enrolments from Palmerston Senior College (Tivendale) and 15 enrolments for Centralian Senior College (Owen Springs). Both schools have an attendance rate of 100 per cent.

2. In 2014, Tivendale School became an annexe of Palmerston Senior College and Gochan Jiny Jirra School is now a homeland of Maningrida College. In previous years these schools were counted as seperated schools.

3. Attend number is the average number of students attending school on any given day during the period.

4. Calculations are based on precise data. Data in the table is rounded for presentation. This results in rounded numbers occasionally appearing incongruous when compared. The rounded numbers are correct.
