

Never Forget Australia

Verse:

We're finally free, it's the early morning, three days, long nights and we're finally done.

We lost twelve hundred mates, but I know they're with me, just as long, my soul keeps them alive.

We ran through bullets, we ran through it tight, through the dark cold wet and flashing lights.

But I know, I can understand, the feeling of saving Amiens.

Chorus:

Marching through the town, pushing the enemy down, down.

Remember us now, we kept each other safe, look at what we found.

Yeah, yeah, yeah, yeah, never forget Australia, that's what they say.

Yeah, yeah, yeah, yeah.

Verse:

It's one hundred years soon, since this all began.

Still to this day, Australia's connections still tie with France.

We're miles apart, yeah it's good to know, that our mateship is an inspiration to us all.

Our sacrifice, is not too forget, saving a village, we never thought to protect.

Hard work paid off, because look at us now, we're both loyal, respectful and proud.

Chorus:

Marching through the town, pushing the enemy down, down.

Remember us now, we kept each other safe, look at what we found.

Yeah, yeah, yeah, yeah, never forget Australia, that's what they say.

Yeah, yeah, yeah, yeah.

Breakdown Chorus:

Feeling the warm bright sun, laying our brothers to rest with love, love.

Remember us now, we saved this city, good things are to come.

Yeah, yeah, yeah, yeah, never forget Australia, that's what they said.

Yeah, yeah, yeah, yeah.
