

APPLICATION FOR ADDITIONAL SEMESTERS (FIRST AND SECOND)

Part 5 Division 4 of the *Education Act* makes provision for a student to apply for addition semesters of government school education beyond the standard allocation of 26 semesters. Refer to the [Allocation of semesters of government school education guidelines](#) for further information.

The school is the first point of contact when applying for additional semesters. The student, and/or their parents, should discuss the intention to apply for additional semesters with the school principal prior to completing this application form.

Section 1: Personal details			
Student surname			
Student given name/s
