Caveats:

This data was extracted on 21 February, 2017.

Notes:

Students receive 10 credits for a one-semester subject.

Students receive 20 credits for a full-year subject.

At Stage 1, students can enrol in the same subject code more than once. These figures therefore reflect completed enrolment numbers rather than a student count.

Non-graded results (for Modified subjects) are reported to students as 'Completed' or 'Not Completed' without an accompanying score or grade.

Results for Community Studies subjects are reported as either a grade between A and E, or N (no result).
