

2024 Action Plan

Yuendumu School
Pirlirpa rarralypa, Pirlirpa Pirrjird;
Growing them strong in spirit.

Aspirations

Jintangka – Together as One

Students, staff, families and the community work together as one to help our students learn and grow.

Pukurl-pukurlpa – Pride

Everyone at the school and in the community feels proud of the students when they work hard to learn and be strong.

Yulkanjaku – Kindness

The staff and students at our school are happy and care for each other.

PUKURL-
PUKURLPA

YULKANJAKU JINTANGKA

Priorities

- ① Two-way Leadership and Learning throughout the School.
- ② Improved support for the Employment and Career Development of Yapa Staff.
- ③ Quality Secondary Provision for Students from Years 7 – 12.
- ④ Explicit Teaching and Learning of Warlpiri and English Language and Literacy, and Numeracy.
- ⑤ Expanded Opportunities for Community Engagement and On-Country Learning.

2024 Action Plan

Yuendumu School
Pirlirpa rarralypa, Pirlirpa Pirrjird;
Growing them strong in spirit.

1. Create a Co-Principal Position

Work with Senior Warlpiri Educators and Elders to:
recruit a Yapa Co-Principal who has responsibility for the cultural leadership of the school, and to
promote a culturally responsive environment for all students, their families and the staff.

2. Employ More Yapa Staff

Help yapa staff to work at the school and to participate in training and development opportunities so they are:

Team Teaching with Kardiya

Supporting students with additional needs

Working with families to improve engagement and attendance.

3. Quality Secondary Programs for Students in Years 7 - 12

Employ classroom teachers with experience and expertise in teaching students at the secondary level, including:

Literacy & numeracy
The Arts

STEM
Physical Education.

Vocational Education

4. Explicit teaching & learning of Warlpiri & English language, literacy, and numeracy.

Create another Early Childhood class so students have a better chance to engage and learn

Support the coordination and tracking of allied health services and programs,

Improve the way student progress and achievement is monitored.

5. Expanded community engagement and On-Country Learning

Employ a Project Officer to:

work with Senior Warlpiri Educators, Elders, families and the staff

coordinate and support the delivery of On-Country initiatives in the school, including Country Visits, Culture Days, 50th Birthday celebrations and Bush Trips
