Be Kind

Priority 1: Improved Literacy and Numeracy outcomes with a focus on high quality instruction, intervention and extension programs.

Priority 2: Improved engagement and wellbeing through fostering culturally responsive learning environments that celebrate our rich local and school culture.

Priority 3: Strengthened school wide systems and support to meet the diverse academic, behavioural and wellbeing needs of all students.

## Priority 1: Improved Literacy and Numeracy

- Strengthened core classroom practice through coaching and mentoring.
- Increased focus on targeted literacy and numeracy intervention and extension programs.
- Increased staffing to work alongside classroom teachers in the delivery of programs.
- Increased targeted professional development and resources.

## Priority 2: Increased Cultural Understanding

- Develop the Ross Park Cultural Calendar - celebrating the rich culture of our school community and the culture of the land on which we live and learn.
- Increased focus on local culture and knowledge building through On-Country learning experiences and integrated curriculum.
- Provide more opportunities for families to engage and celebrate our school community.
- Grow staff understanding of culturally responsive practices.

## Priority 3: Strengthened School Wide Support

- Increased staff in the Ross Park Wellbeing and Inclusion Team to support academic, behavioural and wellbeing needs of students.
- Increased staff in classrooms to support differentiation and engage all learners.
- Strengthened school-wide practices to identify and support all learners to make maximum progress.
