

# Implementation Plan 2015–2017

Indigenous students in the Northern Territory are successful  
and confident in their education journey

## Element 5 – Workforce

### 2015–2017 Actions

Indigenous student outcomes are improved through a consistent system-wide approach to providing highly skilled and motivated educators and leaders in our schools.

#### What we will do

- ✓ Develop and implement a workforce plan with a focus on ensuring educators in remote schools are well equipped to deliver improved student outcomes.
- ✓ Support principals with a mentoring framework, including cultural competency to strengthen their performance in very remote schools.
- ✓ Provide resources to remote school staff including an introduction to Indigenous languages and teaching strategies aligned to the Indigenous Education Strategy.
- ✓ Undertake a remote teacher housing refurbishment program in addition to new housing construction in very remote centres.
