1. The department's enrolment and attendance data and reporting systems were upgraded in Semester 2, 2014 to align with the upgraded Student Administration Management System. The reporting system upgrade identified an undercount of enrolments for Larrakyeh Primary School, Maningrida College and Wanguri Primary School for Term 2 2014. The data in the above table reflects the refreshed data and supersedes any data published during Semester 2, 2014.

2. Due to a change in processing, the data in the above table excludes 38 enrolments from Palmerston Senior College (Tivendale) and 15 enrolments for Centralian Senior College (Owen Springs). Both schools have an attendance rate of 100 per cent.

3. Calculations are based on precise data. Data in the table is rounded for presentation. This results in rounded numbers occasionally appearing incongruous when compared within the table. The rounded numbers are correct.

4. Remote enrolments in the Darwin Region can be attributed to students enrolled at the NT Open Education Centre.
