Will you be in Year 11 in 2019?
Are you a young woman or young man and interested in pursuing a career in early childhood education and care?

Through the Department of Education, undertake a Vocational Education and Training (VET) program designed specifically as a career pathway into the early childhood education and care sector.

Program components include:

- studying off site with a supportive and qualified training provider
- the nationally recognised qualification, Certificate III in Early Childhood Education and Care
- work placements at a variety of local early childhood education and care providers
- entry into a Diploma of Early Childhood Education and Care (takes 12 months off a four year early childhood teaching degree) or you can apply for a university placement to study a Bachelor of Education Early Childhood Teaching
- endless career pathways such as child care educator, out of school hours educator, child care group leader, child care director/manager, au pair, teaching assistant, preschool teacher and early childhood educator.

Applications for 2019 open in Term 3, 2018
