

Privacy Information Statement – Education Perfect

What is a Privacy Information Statement?

When a digital service or application is utilised as part of the teaching and learning curriculum, the school requires your consent to allow collection, use and disclosure of your child's personal information including when data is transferred and held in cloud-based storage offshore, outside Australia. The following Privacy Information Statement provides information about the application to allow informed consent to be provided.

What is Education Perfect?

Education Perfect is a learning management system that is used to provide curriculum aligned learning to students via an online learning portal. The service provides teachers with an extensive library of curriculum-aligned content alongside the ability for teachers to customise the resources to their needs. Teachers can run assessments and track students' engagement, progress, and performance in real time.

What data is collected?

School staff name, class name first and last name, email address, for registering an account, as well as all student names and email addresses that will access the service.

How is the data used?

Data collected is used to register an account, use of the service and to provide products and services, and to manage accounts.

Is the data secure?

Education Perfect state they handle all personal data collected securely and have implemented appropriate technical administrative and physical security measures that are designed to protect personal information from unauthorised access, disclosure use or modification through encryption and other organisational measures. 3P Learning have representation in Australia and adhere to the Australian Government Privacy Act 1988.

Who has access to the data?

School staff and employees of Education Perfect, and any third-party provider contracted by Education Perfect as a service provider.

When is the data deleted?

Education Perfect may hold personal information, via account registrations, for up to 3 years in case an account would like to be reactivated. Schools are encouraged to contact Education Perfect when an account is no longer required to have all data deleted. Requests can be made via support@educationperfect.com

Where is the data?

Live data is stored in Amazon Web Services including back up data, in New South Wales, Australia.
